

Curriculum Vitae

Kalin Angelov Gladnishki

Date and place of birth: September 24, 1975, Vratsa, Bulgaria

Education, degrees and occupation (other than University):

December 2004: Ph.D. degree in Nuclear Physics from the Scientific Council for Nuclear Physics, Particle Physics and Astronomy of the Bulgarian Higher Testimonial Commission.

June 1999 - M.Sc. degree in Physics (Nuclear and Particle physics) from the University of Sofia.

Career/Employment

- **University positions**

February 2013 – present – Associate Professor of Nuclear Physics at the Faculty of Physics, St. Kliment Ohridski University of Sofia;

February 2009 - February 2013 — Head Assistant Professor of Nuclear Physics at the Faculty of Physics, St. Kliment Ohridski University of Sofia;

June 2007 – February 2009 – Senior Assistant Professor of Nuclear Physics at the Faculty of Physics, St. Kliment Ohridski University of Sofia;

- **Other Academic and Research Positions**

November 2004 - October 2006: Post-doc research associate at the “Università di Camerino, Dipartimento di Fisica”, Camerino (INFN-Perugia), Italy

June - September 2003 - Fellow of the ECT* DOCTORAL TRAINING PROGRAMME 2003, Trento, Italy

October 2002 - March 2003

Marie Curie Fellow, University of Surrey, Guilford, UK

April - June 2003

Research associate at the Joint Institute for Nuclear Research (JINR),
Dubna, Russia.

September 2001 - February 2002

Marie Curie Fellow, University of Surrey, Guilford, UK

Publications

- More than 70 publications in international refereed journals, h-factor 14;
 - Author ID (SCOPUS):8905124500
 - Research ID (Web of Science):A-6462-2009
 - ORCID ID:<https://orcid.org/0000-0001-8334-0059>

Serving the community

- Referee for Journal of Physics G – since 2005;
